

Transforming HEALTHCARE through Philanthropy

The Physician Partners program recognizes EHMC's physicians who annually donate \$1,000 or more to the Foundation. Membership in the Physician Partners program signifies your commitment to healthcare excellence and allows our Medical Center to remain this area's leading provider of quality, compassionate healthcare. In addition, these physicians are ambassadors who demonstrate to their colleagues, patients and the community the vital role philanthropy plays in securing EHMC's position as our region's healthcare leader.

In Appreciation of Your Commitment of \$1,000:

- Exclusive invitation to a private reception at a Trustee's home.
- Invitation to the annual President's Reception with other community leaders.
- Recognition on the electronic Friends Wall outside the Drapkin Café.
- Recognition in "Doctor's Day" ads.
- A Drapkin Café Gift Card.
